History Cruzers. Please Take Note:

The City of North St. Paul has asked us to inform our show visitors that the North St. Paul Police will be enforcing Handicap Parking code violations during the show. If you park without displaying your valid Handicap Parking disability certificate or plate in a marked Handicap space, you could be fined up to \$200 for parking in or obstructing an access aisle. So, to be clear, if you have a valid Handicap Parking plate or placard, you have access to the marked Handicap Parking spaces within the show if one is available.

Welcome back to the 2024 History Cruze. This is our 31st Season and it starts at **6 pm** on 6/07/24. Lets start the summer off not getting the businesses upset with people showing up at noon. Please check out all the new food and other vendors we have added and all the great bands we have. Always remember that without the Yellow shirts and Sponsors, we would not have a show, take some time to stop and thank them for the work they do and support they put into the show so you can come down and have a wonderful time on Friday nights during the summer.

Council approves new downtown parking ordinance

The City Council approved an ordinance change. The new ordinance gives Council authority by resolution to restrict the parking of any motor vehicle, trailer, snowmobile, or bike of any kind in the Business District of the City.

The revised ordinance expands the definition of the Business District to include Charles St. from 8th Ave. E. (extending if from Charles and 7th Ave. E. The newly approved ordinance also adds the following restriction that from June 1 through October 1 that no vehicle shall park in any area of the Business District for more than two hours between the times of 8:00 a.m. and 6:00 p.m. Monday through Friday.

Wheels For Wishes

Wheels For Wishes is a car donation program benefiting Make-A-Wish® Minnesota. We are proud to offer a free and easy way to recycle or donate unwanted cars, trucks, motorcycles, SUVs, RVs, or even boats, by turning them into a wish for a local child. We pick-up or tow away cars free of charge, anywhere in Minnesota, whether they run or not. Vehicles are either recycled or auctioned off and 100% of the net proceeds benefit Make-A-Wish Minnesota. Since we are a tax-exempt charity under section 501(c)(3) of the IRS Code, you also receive the maximum possible tax deduction for your charity vehicle donation.

For more information go to [Wheels For Wishes](#).

Private Parking Lot Parking

For those that come early (some as early as noon) the spots you fill in front of the businesses interfere with the businesses that help pay for the show. The show is a great place to spend your evening, ignoring the rules and causing the sponsors to lose customers will jeopardize the funding of the show. If their parking is taken up by classic cars so their customers can't park, they will complain to the city. If the city gets complaints, they will cancel the permits and the show will be shut down! Help us continue to provide the show so we all have a place to come on Friday nights. For those that think we don't notice, having your wife bring the daily driver and then taking that spot when she leaves is not acceptable. Please take note, the parking lots at "The River of God Church" and "Franklyn Center" are both privately owned parking lots. They both went out and purchased new signage through the city that states "Private Lot No Car Show Parking until after 5:30 Violators Towed at Owners Expense".

Unless you don't mind seeing your car loaded on a flatbed and hauled away, please heed this warning. Bringing your newer than 1975 car earlier than 6:00 and then staying is just bad form and it makes a lot of people "upset" (to say the least). North St. Paul has a two-hour parking limit during non-show hours, so if you try these tactics, you are subject to a ticket. Remember, all the people in yellow shirts are volunteers – no one is getting paid. The History Cruze is a non-profit organization. The money we get from vendor fees and sponsorships helps fund the show (permit fees, insurance, porta-potties, etc.) and any funds left at the end of the year goes to local charity. Help us continue to provide one of the largest weekly free to participant and spectator shows around. Shows start at 6:00 pm and go to 10:00pm (subject to rainouts or if everyone leaves early because of darkness)

Very Rare '76 Dodge Pick-Up For Sale

The VIN number says it was the 1st one off the assembly line, but cannot find how many may be on the road. One appraiser said that it was 1 in 7 made and another says 1 in 70 or less, so I can't get a true fix on this truck. This line never went into full production and the trucks were destroyed except this one because one of the executives took it home. Dodge decided to back the next project, the Little Red Express came out after that.

I'm trying to find someone who would be interested in such a find and finish the restoration on it. It doesn't have all the original parts, but a very nice truck that would be a good investment and would be of higher value once completely restored. It has a 440 CI with a 727 transmission and has over 500 HP. It is orange with a new wooden bed installed in the back. My wife wants it out of the garage since I don't drive it. I am not much of a mechanic and when money becomes available, I have mechanics fix and restore stuff over the years. It is drivable and the engine has been tuned and sounds really nice.

I've put over \$25,000 into it over the past 2 decades and willing to sell it around \$30,000.
