Attention prospective volunteers

We will be holding a meeting on May 02, 2026 at 10:30 am to inform new volunteers of what to expect and have meaningful discussions on what duties would best suit the new volunteers. We will be looking for tear down volunteers & corner Yellow Shirts.

The meeting will be held in the parking lot on the southwest corner of 7th Avenue and Helen St. in North St Paul. The tear down volunteers normally need a pick-up or van to transport cones & barricades.

Board members will be available to talk to and discuss your interest in helping run one of the largest free car show in the country.

Contact Faron at 651 315-6058 if you have any questions.

History Cruze Friday Nights In North St. Paul

Since it was announced that the North St. Paul History Cruze would change this year from every Friday night to every other Friday night, we have received many calls asking WHY?. I will try to answer this and hopefully not get too long winded. You may want to read to the end because this applies not only to the History Cruze, but to many other car shows as well.

We are all getting older! Some of us would like to have a week off once in a while instead of working the show fifteen weeks in a row. For this reason we have asked for volunteers for the last several years, and once in a while we get a new volunteer and they last a week or two and then quit because they don't want to be yelled at, swore at, or ignored - so we have a problem keeping them. It takes a couple of times working the gates to get to know what to expect and how to "handle" the crowd. We don't expect a new recruit to be on their own the first time. So if you have a thick enough skin to not get upset by getting yelled at we would love to have you join us. If we have enough people we could schedule crews for weeks on and weeks off, or for shifts each week so you don't have to work the whole night, and possibly go back to having the show every week again. (With regard to handling the crowd: Has anyone else noted that since COVID people in general have gotten more individual oriented and nasty instead of community oriented and have displayed more aggressive driving habits?)

The volunteers that work the gates and circulate through the show are just that – VOLUNTEERS! None of the staff gets paid for what they do including the Board of Directors. The History Cruze is a non-profit LLC, and as such can only keep a limited amount of money in an account to cover expenses and get the show started the following year. Many people think the show is put on by the city of NSP, but it is not. We pay a permit fee to the city to have the show each year, as well as the operational costs for the show including insurance, Police coverage, Porta Pottys, etc. (all required by the city) and other incidentals such as signs, barricades, etc. At the end of the year, any extra funds are donated to local charities. We do not collect admission from either participants or spectators because it would be near to impossible without fencing in the city, we rely completely on sponsors and vendor fees to financially support the show.

With regard to crowd control: In the past (pre-COVID) if there was a discipline problem with either a rowdy participant or spectator nearby participants would rally around a volunteer until the offender would back down. This has not been the case lately, but rather they side with the offender and start yelling at our volunteer. We are only trying to enforce the rules – some of them mandated by the city and some are just common sense. How about a little support? BY THE WAY: Did you know that it is against state law to move or drive around a barricade? We have people yell at us when we try to point that out to someone who had just done that. Last year we also had two drivers push (with the front of their cars) our volunteer after they were told they could not proceed. For this reason we are going to place cameras at each corner to monitor the intersection. In case of another incident such as this, the video can be submitted as evidence.

We want everyone who attends the show to have fun – both the participants and the spectators. Many people tell us they come just to walk around, get some good unhealthy food, and look at the cars. Many spectators bring their kids – we want this to be good family friendly entertainment. The rules were established for this to be the case, not because we just decided to be nasty. You are not above the rules just because you have the "best car here".

The History Cruze shows for this year are June 12th & 26tg, July 10th & 24th, August 7th & 21st, September 4th & 18th from 6 pm - 10 pm.
