November 2026

General Information

Our work has already begun on the 2027 season

Our off season has already began. The History Cruze Board had our end of the show meeting and we had a nice amount to give away to all the non-profits we supported this year. We discussed what went well and what we need to change. Overall, the show went very smooth with very little problems like we have had in the past. It speaks to the quality of car owners and visitors that we have coming to our shows. We have already paid for our 2027 insurance which is a very costly and needed expense. We have already filed with the City of North St. Paul for our 2027 event permit for the shows, it has been approved by North St. Paul Fire Dept., Police Dept. and City Works. We are working with the administration to get everything ready to go before the City Council in the next month or so to get final approval. Our board gets very busy this time of year getting our Secretary of State filings an other items renewed for another year.

We will keep you up to date on our work and where we are with all the filings, you can always follow us on the web site and facebook for all the latest information.

As always, don't believe everything you read on the internet, we all know everything must be true if you read it on the internet or the enquirer magazine. Your best place to get the real information is from our site and facebook.

Each month, we will always keep you up to date with the latest information on our progress.

We will be looking for a few "Yellow Shirts" for 2027 to be Volunteers...
